2. TERMS OF USE AND GENERAL OBJECTIVE

This website serves as an official presentation and online appointment scheduling platform for the mechanical repair, vehicle maintenance, and automotive diagnostic services provided by DRIVE TECH GARAGE S.L.U. Access to and use of this website attributes the status of 'User' to the visitor, implying full and unconditional acceptance of all conditions included in this Legal Notice.

The website does not process any online financial transactions, sales, or payments. The online booking system is strictly used to request and schedule workshop time slots. Final quotes, diagnostic evaluations, and financial invoices are issued exclusively in person at our physical workshop facilities. The User agrees to use the website, its booking system, and services in compliance with Spanish law, moral standards, and public order.

3. INDUSTRIAL AND INTELLECTUAL PROPERTY

All contents of this website, including but not limited to texts, photographs, corporate graphics, logos, booking system interfaces, icons, technology, software, and graphic layout, are the intellectual property of DRIVE TECH GARAGE S.L.U. or its licensors. Any unauthorized reproduction, distribution, public communication, or transformation of these contents is strictly prohibited, except with express written authorization from the company.

4. EXCLUSION OF LIABILITY

DRIVE TECH GARAGE S.L.U. does not guarantee the continuous availability, absolute accuracy, or complete absence of technical errors on the site or the appointment scheduling system, although every reasonable effort is made to maintain optimal functionality, except where such liability cannot be excluded or limited under applicable law. DRIVE TECH GARAGE S.L.U. reserves the right to contact the User to reschedule, cancel, or modify any appointment requests due to workshop capacity or technical requirements. The company is not responsible for any technical damages, viruses, or system interruptions caused during the user's navigation, nor for the misuse that third parties may make of the published information.

5. APPLICABLE LAW AND JURISDICTION

Spanish law applies. In relations with consumers, jurisdiction shall be determined in accordance with the mandatory provisions of Spanish consumer and procedural law.
